

Leicestershire, Leicester and Rutland Joint Health Scrutiny Committee

Work Programme 2018 – 2019

Meeting Date	Topic	Actions arising
4 Sept 18	1) Consolidation of Level 3 Intensive Care 2) Update on EMAS's direction of travel 3) Update on Non-Emergency Transport (TASL – Thames Ambulance Services Ltd) 4) CCGs Engagement on Planned Care Pathways 5) Update on the STP	1) Further meeting to be arranged to convene this item. 2) A further report on the progress of EMAS come back to the committee. 3) A further report including performance data, and information relating to contractual obligations and conditions be brought back in six months' time and that a representative from TASL comes to the meeting. 4) The committee asked for the wording in the Gynaecology Policy be rectified. The committee asked that the numerous different planned care policies be broken down during engagement to make it more meaningful for service users. The committee expressed concerns relating to the continuity of care and the application of policies across different postcodes. It was requested to see the full EIA, including impacts on mental health. The CCG were asked to ensure that GPs and locums are fully trained and where treatments cannot be provided in the settings where they are, that primary care provide the treatment, particularly in relation to patients who require ear wax removal prior to having a hearing aid fitted. Questions from Members be submitted separately, outside of the meeting. 5) Questions from Members be submitted separately, outside of the meeting.
28 Sept 18	1) Consolidation of Level 3 Intensive Care	1) Despite all the information provided to the committee by the CCGs and UHL, the committee were not convinced that any of the reasons given preclude their responsibility to carry out public consultation. As such, in the interests of openness and transparency, the committee recommended that the CCGs and UHL undertake public consultation before continuing with the proposals.

21 Jan 19	<ol style="list-style-type: none"> 1) Update on CCG Management Structure 2) Better Care Together Engagement Update 3) Better Care Together – Community Health Services Redesign 	<ol style="list-style-type: none"> 1) More information on the Integrated Locality Teams and information on the discussion relating to the merger model and on how the proposals to appoint a Joint Accountable Officer are progressing be brought to a future meeting. 2) The Committee recommend that the CCGs and UHL take advice from the local authority communication teams as to which communities to reach out to and what worked best in respect of outreach. Also, a report on capacity planning be brought to a future meeting. The Committee requested it be demonstrated as to how the comments made by members of the public and Scrutiny are taken on board. 3) The Committee requested there is effective governance to ensure that the service meets the need and is delivered consistently, and for a report on this be brought back to a future meeting.
